ProSep holds the following qualifications: ISO 9001, Achilles JQS (in Norway and Denmark) and FPAL (in the United Kingdom and The Netherlands).

## About ProSep

ProSep is a technology-based process solutions provider for the upstream oil and gas industry.

The Company designs, develops, manufactures and commercializes technologies to separate oil, gas and water generated by oil and gas production.

ProSep's innovative offerings have been awarded three Spotlight on New Technology Awards from the annual Offshore Technology Conference in Houston in 2005 and onwards, comprising the proprietary technologies ProScav, CTour and ProSalt.
