

TORR Canada to receive additional payments for its contract in Kuwait

MONTREAL, QUEBEC – July 18, 2007 - TORR Canada Inc. (TSX: TOR) ("TCI"), dedicated to providing water treatment to the Oil & Gas industry, today announced that it will receive additional payment for the remaining options relating to training, supervision and start-up of the units sold in March 2006 to SK Engineering & Construction ("SKEC").

Following the completion of the delivery of the seven (7) systems and further negotiations with SKEC, these remaining options were exercised on a per diem basis. TCI estimates that the commissioning and start-up of all seven systems may last up to one year.

"Commissioning of our largest systems ever sold is on track and SKEC's decision to exercise another contractual option further shows their appreciation and involvement" said Alain Ferland, Chief Executive Officer of TORR Canada Inc.
